Mankato, MN 56001

She said, "I will fill my box."

She found quilts...

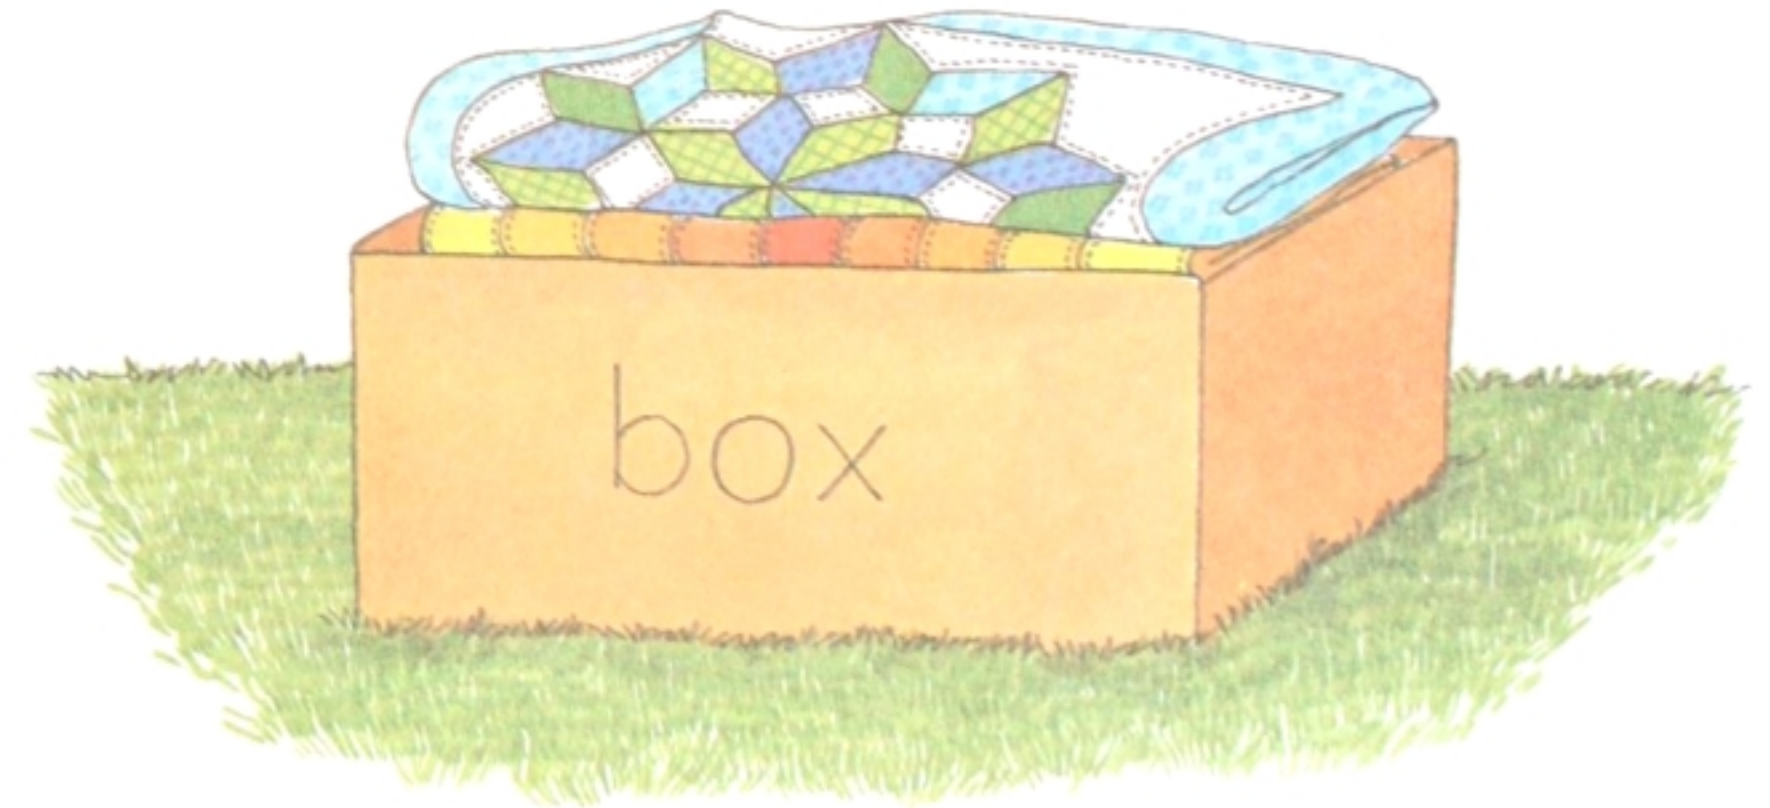

lots of quilts,

quilts, quilts.

Guess where she put them?

She filled her box with quilts.

She found one
more quilt.

The box was
full, so ...

Little q wrapped the quilt
around herself.

"I can be a queen," she said.

Then Little

met a real queen.

"If you want to be a real queen,
you must have a crown,"
said the queen.

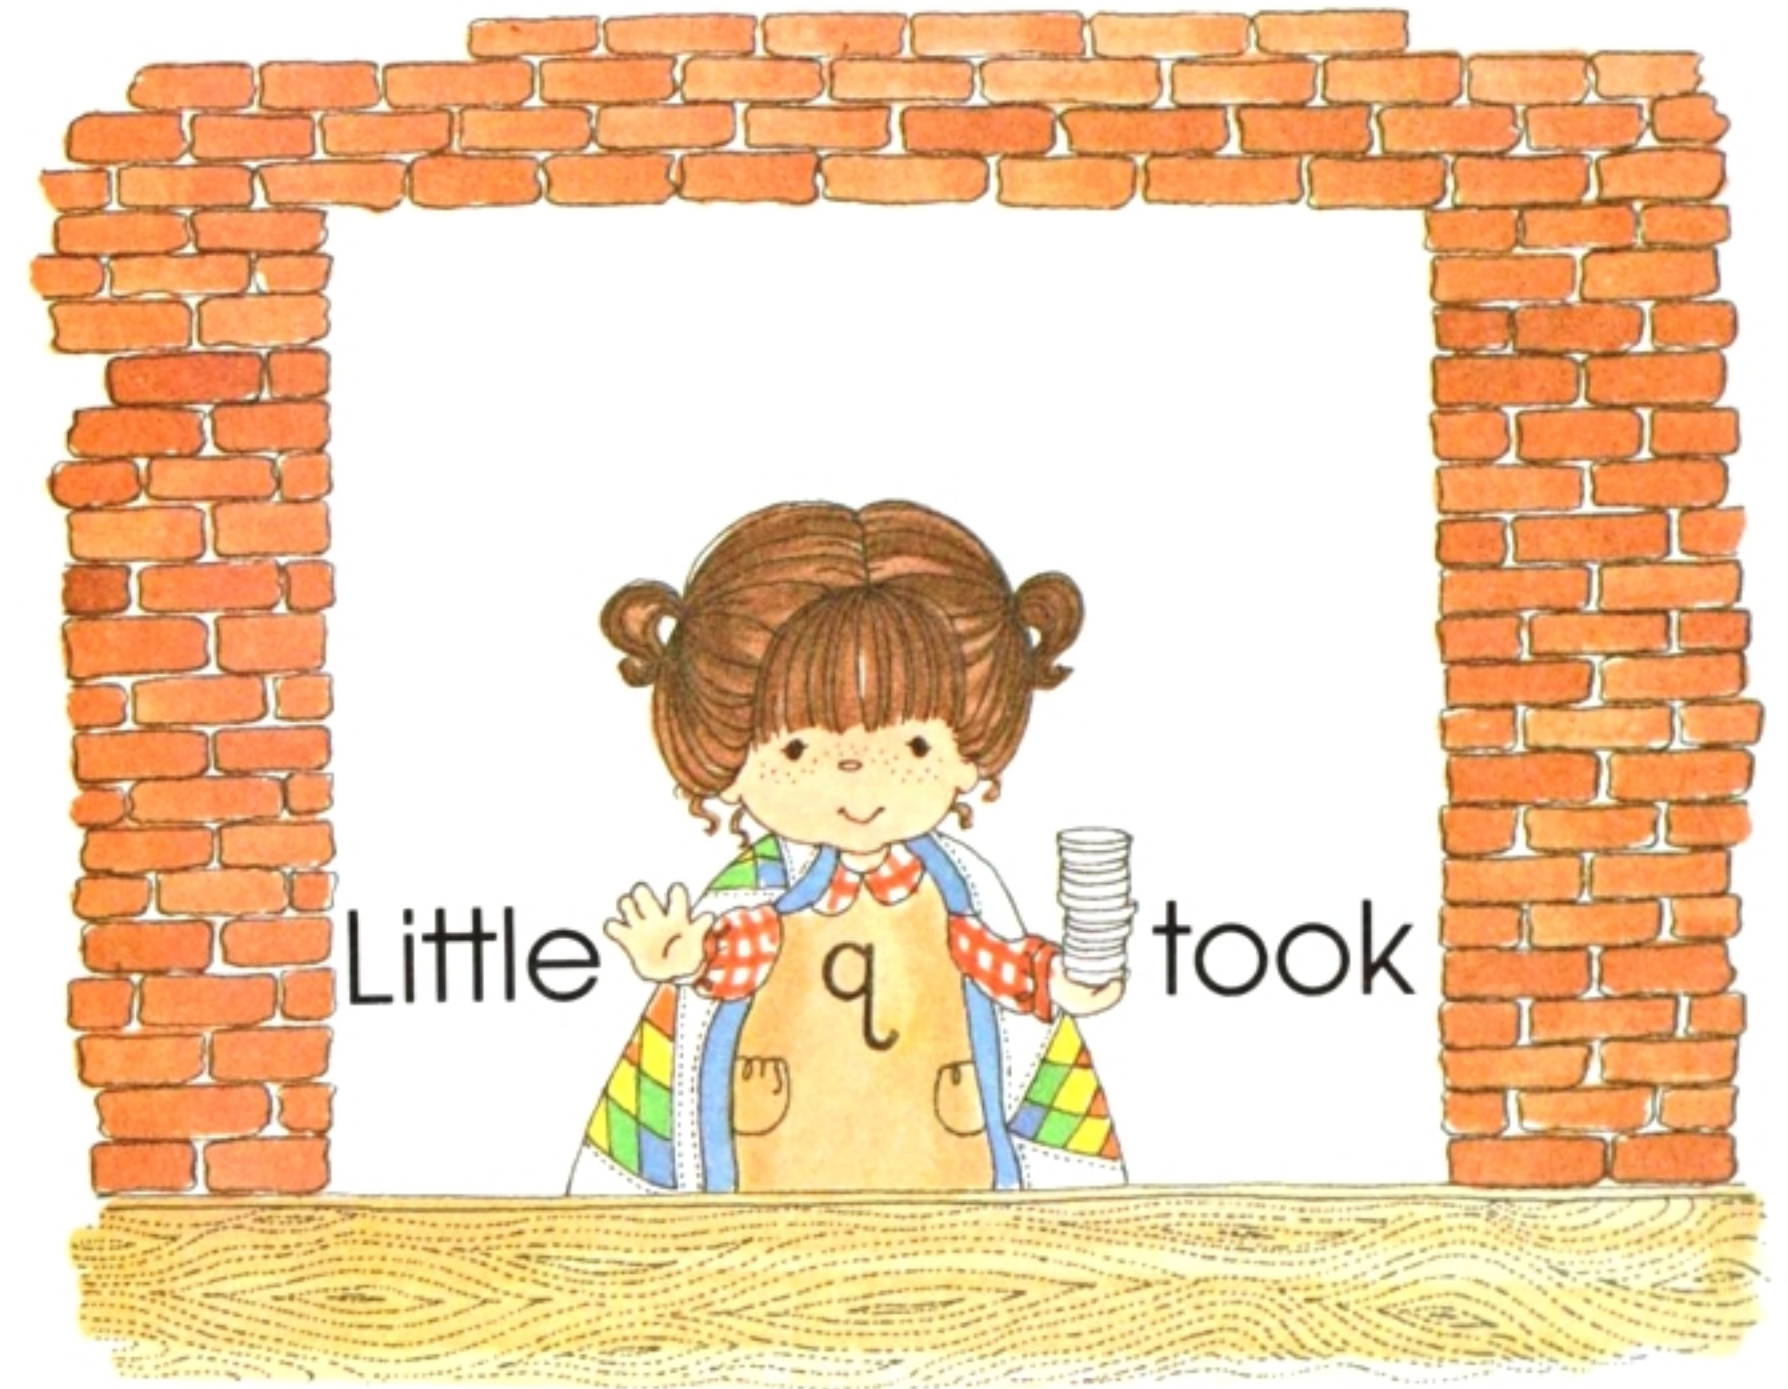

So Little found
quarters,

lots and lots of quarters.

Can you count how many quarters?

Little q took

the quarters to the store.

Little  bought a crown.

The two queens played.

Little  found  a quart of milk

and some quince jam. 

"Let's have supper," she said. Then...

Little  said, "It is late.
Let's go to bed."

"A queen
must have
a queen's
bed,"
said the
queen.

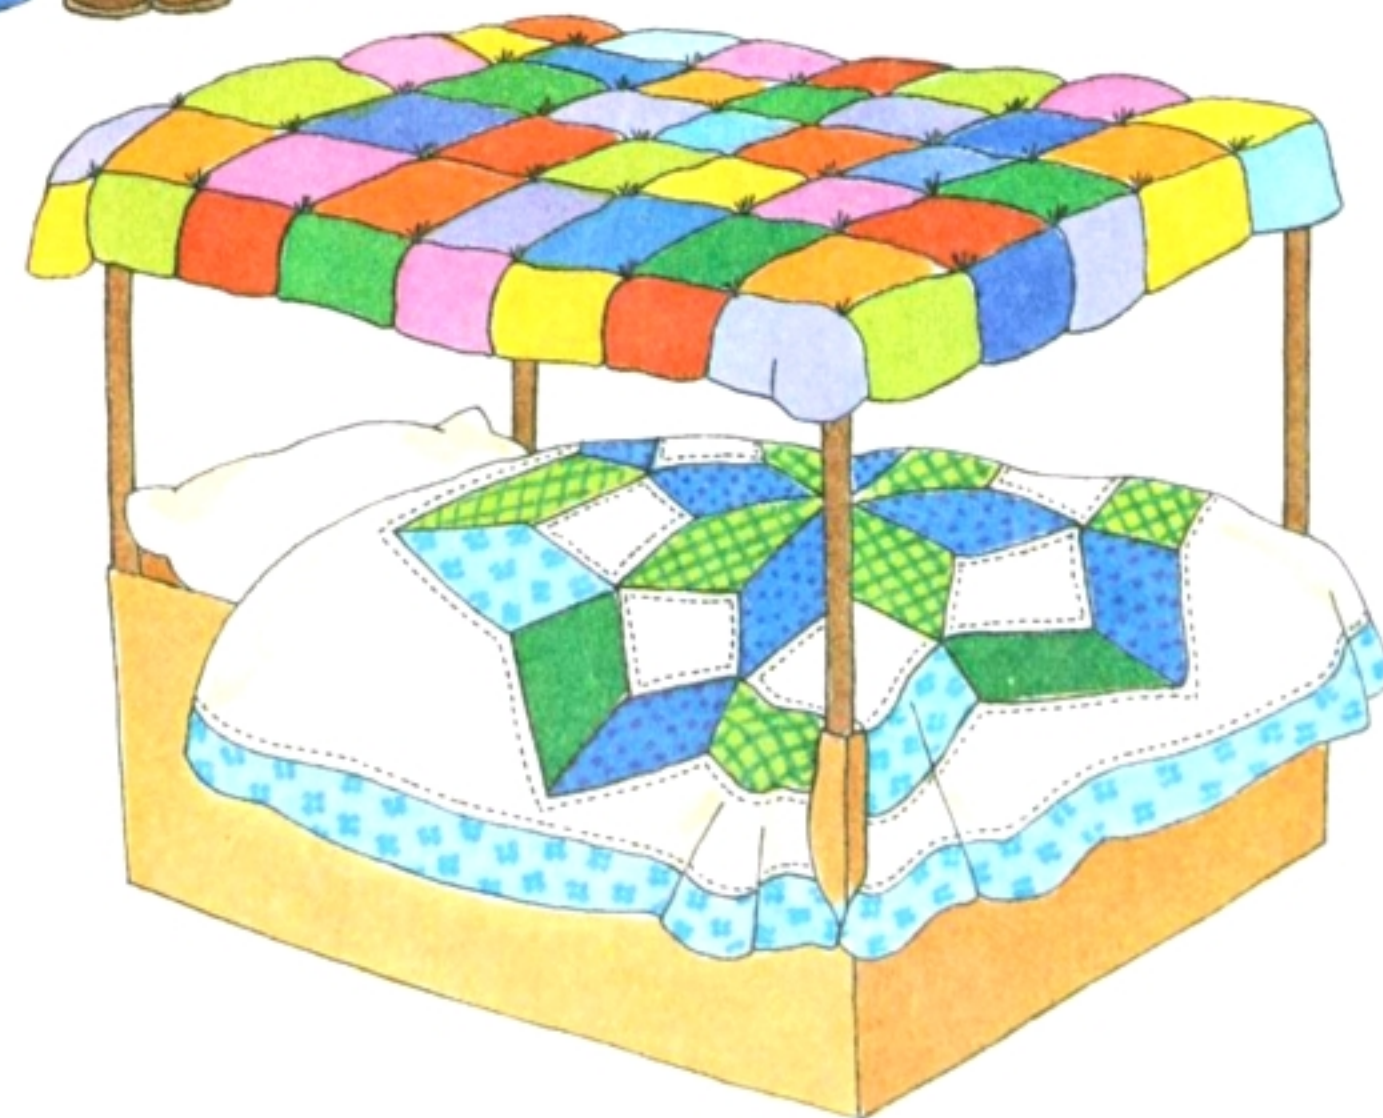

so she could buy a queen's bed.
But she could not find any
more quarters.

So she said, "I will make a queen's bed with my box of quilts."

Little  made a lovely bed.

"Now let's go to bed," she said.

But the queen did not
want to go to bed...

so they quarreled...

until  quarter past
nine.

View Page 16

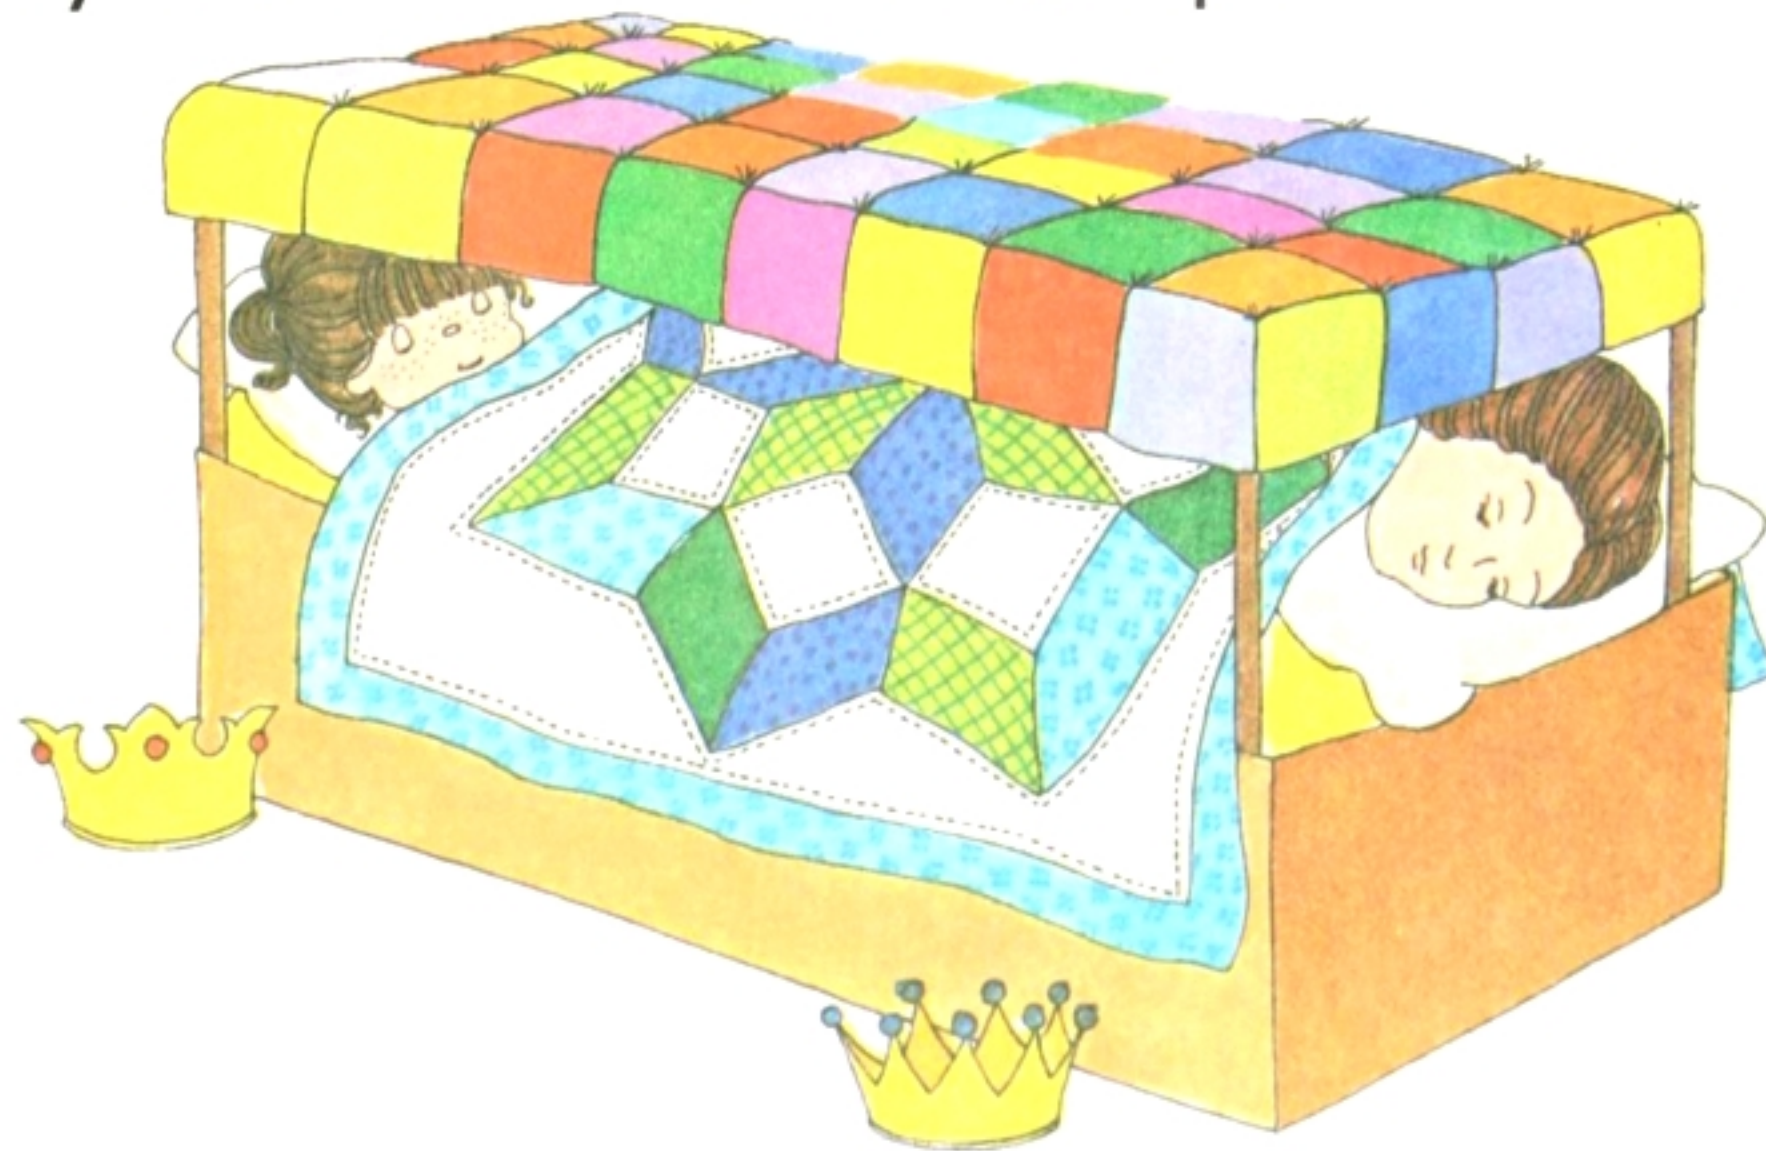

Then the queen
was so tired
of quarreling
that she quit.

She jumped
into bed with Little

They both went to sleep.
